- **GMTRC's Horse Show, "The Art of Horses."**  
Congratulations to all of our riders who participated and made it the best show yet! We enjoyed seeing all of your artwork on display in the rider art showcase and were thrilled about your accomplishments in the saddle. Rider parents, families, caregivers and volunteers used the following words to aptly describe the day: "wonderful," "honoring to the riders," "enjoyable," "fun," "well-decorated" and "seamless." We appreciate all of our volunteers, instructors, administrative and barn staff, Board of Directors, sponsors and donors, judges, photographers, Dan Roser, and our fabulous herd of horses. We simply couldn't begin to pull off the show without all of you and your many talents. We always feel so honored to watch parents, families and special friends encourage not only their special rider but all of GMTRC's students in moments of excitement, pride, nerves and success on the day of the show. There was an overall sense of shared teamwork and pride for GMTRC shared by all!

# "The Art of Horses" Horse Show highlights

## Volunteers / Myava

THANK YOU to everyone who volunteered their time and talent to help make our 2018 GMTRC Horse Show an incredible success! You all helped in every aspect of preparation, which included helping riders to practice in lessons, cleaning and organizing the barn and setting up, to the show itself, tear down, and everything in-between. YOU made it possible for our riders to have an amazing experience, and their smiles proved it.

This year's Horse Show theme, **"The Art of Horses,"** provided the opportunity for our creative volunteers to take part in the planning and creation of our obstacle course, and we would like to express a special thank you to all those who were a part of our Horse Show Decorating Team. The obstacle course was a highlight of the show!

We welcomed a group of volunteers from **Hempfield United Methodist Church** to GMTRC for the **United Way Day of Caring** Sept. 8. This wonderful crew donated four hours of their time to help us get the barn and grounds spruced up before the Horse Show. Thank you to the United Way and HUMC!

Spread the word to anyone you know who may be interested in joining our amazing program! Please send RSVPs to Myava if interested (contact info below).

The end of our 2018 sessions is nearing, but we will still need help at the barn! Our horses need care and exercise throughout the winter. If you are interested in assisting in these areas, please contact **Myava at 717-203-7388 or [vol.coordinator.gmtrc@gmail.com](mailto:vol.coordinator.gmtrc@gmail.com)**.

## Community Outreach / Heather

Thank you to everyone who supports GMTRC by sharing our social media posts! GMTRC's key fall fundraisers, the Horse Show, Mane Event Gala and Extraordinary Give, consistently receive a boost from your enthusiastic "sharing." Thank you for helping GMTRC spread the news of our incredible mission in Lancaster County!

Did you catch Parelli Instructor Dan Roser and his Arabian gelding Majik at the GMTRC Horse Show? Dan and Majik wowed the crowd with a liberty and riding demonstration that highlighted Dan's deep connection to his horses, as well as his understanding of horse behavior and psychology. Dan tops our list of valued community partners. He has volunteered many hours both at the show and helping our instructors train GMTRC's horses in 2018. Check out his Hollyberry Farm Parelli clinics at [hbfcnh.com](http://hbfcnh.com).

Have you viewed GMTRC's website lately? Staff and horse pages are updated to reflect our new team members, and our new FAQ page is sure to give you fresh insights to

GMTRC's mission and therapeutic programming.

If you belong to a local community group, please share your connections! I would love to set up a table for a fair, speak at a meeting or help create a community partnership between GMTRC and your favorite organization.

**THE EXTRA  
ORDINARY  
GIVE**

**NOVEMBER 16, 2018**

## From the Board of Directors: President Tom O'Brien

In spite of a bleak weather forecast, our Horse Show kicked off with plenty of sunshine and low humidity, ready to greet 40 riders on a theme-based course, "The Art of Horses." Excitement was all around as families and friends gathered to support the riders in their quest to navigate the course and demonstrate their equitation skills.

GMTRC is fortunate to have some of the most dedicated volunteers offering their time and talents to set the atmosphere for this event – and for that we are truly grateful!

We are also blessed to have a caring and professional staff that plans and organizes the show, beginning many months in advance. Their teamwork assured that safety remained our highest priority. Well done!

Finally, the Board is thrilled to report that the show slightly surpassed our tall fundraising goal. We hit this mark due to the tremendous support shown by our show donors, class sponsors, program advertisers and all of those who silently donated services, grills, food and drink, and talents on Sept. 15.

On behalf of the Board of Directors, thank you for your help and support, today and every day.

*Tom*
